

MarriageToday is an international ministry devoted to helping couples thrive in strong, fulfilling marriages and families. Led by founder/CEO Jimmy Evans and his wife, Karen, MarriageToday touches millions of lives every year through online outreach, extensive resources, and its nationally syndicated television program, *MarriageToday with Jimmy & Karen*. Today, after 40 years of marriage and teaching the principles that kept them together, Jimmy and Karen are committed to strengthening good marriages and bringing hope to hurting husbands and wives.

HOW HEALTHY ARE
THE MARRIAGES
WITHIN YOUR CHURCH?

YOUR CHURCH is only as strong as its members, and your members are only as strong as the state of their marriages. How healthy is your church? Join us in the battle to strengthen and heal the relationships between husbands and wives.

AS A ROCK SOLID PARTNER your church can help restore marriages and strengthen families everyday. Give to support the work of MarriageToday so that families in need can receive God's word with practical, Bible-based marriage teaching.

THE ROCK SOLID CHURCH PROGRAM exists to partner with the local church in growing and maintaining healthy marriage ministry. By partnering with MarriageToday, your church can access resources and materials that will make marriages in your church thrive. Become a Rock Solid Church Today.
